CARSON GRAHAM PARENT ADVISORY COUNCIL – REQUEST FOR EMAILS

IF YOU ALREADY RECEIVE EMAILS FROM US YOU DO NOT NEED TO FILL OUT THIS FORM

The Carson Graham Parent Advisory Council (your PAC) would like to provide a better communication tool with the parents of students at Carson Graham and Balmoral Campuses.

To do this, the PAC has established an e-mail database of parents' email addresses, which will be used for PAC purposes ONLY. Examples of use are:

- Notifying parents of PAC meeting times
- Forwarding meeting agendas and minutes
- Seeking input from parents regarding matters affecting students at Carson and the school district
- Making parents aware of school-related events and activities
- Forwarding pertinent info from the North Vancouver District PAC

The Carson PAC Secretary is the sole user of this database, which will be used solely for relevant school matters. Following privacy laws, addresses will not be provided to other people or organizations. Also it is your prerogative to request removal from the database at any time.

Your permission to include your email address is for the current school year. After each school year, an email will be sent to you requesting whether you would like to continue to be on the list.

If you agree to provide your email address on the above terms, please complete the information form below. Should you not provide your email address we will endeavour to accommodate you by other means i.e. – newsletters and the website.
