### PARENT TO PARENT COMPLAINTS

The school places trust in the parents and guardians of its students and desires the support of parents with the educational program of the students in the school. The school recognizes that from time to time concerns regarding the conduct of one of our parents may be raised by one of our other parents. Complaints, questions, or expressions of concern need to be dealt with by the parents concerned in a confidential manner with mutual respect and fairness for all involved and avoid the possibility of the spread of rumor. Parents involved need to work to settle disputes expeditiously and as near the source as possible in a courteous and constructive manner. Children must not be drawn into parent disputes.

### CLEVELAND STUDENTS CLEANUP MCKAY CREEK!

On Thursday, October 8, the Students Gone Wild, and students in Division F01, F05 and E03 cleaned up MacKay Creek (near Handsworth), as part of the TD Great Canadian Shoreline Cleanup. The cleanup was a huge success, and the students learned a lot about the impact dumping garbage can have on an ecosystem. The students collected a lot of unusual items including toys, light bulbs, a tire, a can of hairspray, a chair, and many bottles and bits of glass. It's amazing what people throw out into the environment! The next time you go on a nature walk, take a garbage bag and some gloves along with you, and cleanup as you walk along. Remember to ask an adult to help you pick up glass or other sharp objects. If we all work together, we can have a much cleaner neighbourhood!

### INDIVIDUAL STUDENT PHOTOS

Student photos were sent home this week. If you wish to order pictures please complete the order form and return it to the classroom teacher by Thursday, October 22<sup>nd</sup>.
