If you can help make the party a success by contributing a plate of cookies/snacks, or are available to help clean-up after the dance, please contact Carol Macfarlane at 604-980-6888 or macfarlane99@shaw.ca. Thank-you!

CPAC MEETING

Tuesday, May 26th, 7:00 – 9:00 p.m., School Library

This is the last PAC meeting of the year. The Principal will be presenting the tentative class organization for next year. This is always of interest to parents! This is subject to change over the summer as kids move in and out of the school. Also at this meeting will be further updates on our proposed budget for next year, and the vote for the new PAC Executive. A Chair is needed...are you (or you and a friend) willing to take on this role? We need you! See you there!

WAY TO GO CLEVELAND - Environment Week

We have had a great year at Cleveland with more and more families choosing to walk or ride their bikes to and from school. We have celebrated 3 Walk to School Days, and achieved an amazing 61% participation rate on Earth Day! We had Bike to School week a little while ago and it was great to see students and parents riding to school. Are you ready to take the next step?

Next week (May 31st - June 6th) is Environment Week. Clean Air Day (June 3rd) is celebration of environmentally-friendly activities that promote clean air and good health across Canada. What a perfect time to make lifestyle changes that help reduce our environmental footprint. Oceans Day (June 8th) is a time to remember the life-giving role of oceans worldwide.

Have a conversation with your family about everyday decisions you are making. Are there choices that you could make that would be better for the environment and your family's health? For tips and ideas please visit the Environment Canada website at [HYPERLINK "http://www.ec.gc.ca/sce-cew"](http://www.ec.gc.ca/sce-cew)
