Please come and join us for an engaging evening of story telling on Thursday April 30th, 2009.

Something exciting is happening at Cleveland Elementary School this Spring!

Everyone loves to tell a story no matter what age. Classroom teachers and students will be involved in an oral story telling unit this Spring at Cleveland Elementary. We have been influenced by the First Nations Culture and are inspired to experience oral story telling with our community. We value the importance of keeping stories alive through generations and families. So bring your stories to the Cleveland Community.

Let us know if you would like to share your stories by contacting our Librarian Sandra Santarossa before Wednesday April 8th, 2009. Names will be drawn on Thursday April 16th and the rehearsal will take place on Monday April 20th, 2009.
