WELCOME NEW STAFF

We have a couple of more additions to our staff. We are pleased to welcome Francis Baldonado to Cleveland. Francis will be teaching part time in the grade 6/7 French Immersion class (along with Mme. Power) and in the grade 5/6 class (along with Mme. Cork).

In order to assist with the implementation of full-day Kindergarten, Lindsey Buchanan has joined us for the month of September. Lindsey will be helping in the Kindergarten classes and during recess and lunch supervision.

Welcome Francis and Lindsey.

Principal's Blog

I am trying something new.

Schools have traditionally communicated with families through phone calls or paper newsletters. Lately, schools in North Vancouver have tried to reduce paper use by making use of emails through our Schools Connect system.

Last year I made the decision that I would try to communicate with families about life at school outside of the regular newsletter information. Therefore, this year I have set up a blog and can now be followed on Twitter.

Please come visit my blog at <http://blog44.ca/dbeveridge> or find me on Twitter (@dwbeveridge).

I cannot promise daily updates on the blog, but I am working at it.

PLEASE NOTE – There are important forms coming home today in your child's backpack. These forms are to be returned to the school by Friday, September 16th.

TERRY FOX RUN – is tentatively scheduled for Monday, October 3rd.

CLASSROOM CONCERNS THROUGHOUT THE YEAR

From time to time concerns regarding issues in the classroom will arise. All classroom concerns should be handled as near to the source as possible by directing them firstly to the classroom teacher. Teachers are always open to hearing your concerns and are willing to work toward a resolution, with your understanding and support.

Important Note: We do have several Cleveland students in several classrooms with severe allergies to nuts. Please make sure that you are sending Nut Free snacks and lunches to school. We appreciate your co-operation in making our school **safe for everyone**.

Parent Volunteers Needed In the Library

If you are able to volunteer a couple of hours a week to manage the circulation desk or shelve books please give your name and phone number to the office.

SPEECH AND LANGUAGE SERVICES

As one of the Speech and Language Pathologists with the North Vancouver School District, I work in conjunction with classroom teachers to assess and implement programs for children with a range of communication difficulties. I am employed in a full-time position and work at four schools – Canyon Heights, Cleveland, and Highlands and Montroyal.

If you would like to talk with me about any aspect of your child's speech or language development as the year progresses, please leave a message for me at the school office or contact me by phone at 903-3568.
