Only include containers that are returnable for the deposit – please do NOT include milk containers or other products plastic bottles or cans. ALL music students are asked to help out for at least 2 hours at the Bottle Drive on Saturday, April 16. Parents are encouraged to complete a shift as well. We need parents to drive, supervise at the school, and /or sort, so if you have any time to spare that day, please lend a hand. All families are asked to contribute a bag of their own refundable containers. The drive takes place between 9 a.m. and 4 p.m. It's a lot of fun and refreshments will be served!
