

Kids Club Program at Boundary Announcement

Our school is VERY pleased to announce the opening of enrolment for North Van Rec's Kids Club Program at Boundary School.

You can register online or by phone.

In response to the enormous feedback provided through the online survey the Recreation Centre **will be** hosting a Kids Club program at Boundary School as follows:

There will be a Primary Kids Club for grades 1-3, as well as an Intermediate Kids Club program for grades 4-7.

Both programs will run after school, on site at Boundary, in different spaces from 3pm to 5:30pm on Mondays and Wednesdays.

If there is enough enrolment we hope to host Kids Club all year in the following sessions:

- a short 3 week Sept session beginning Sept 13
- an Oct to mid November session
- then a mid November to end of Dec session
- after that we hope to host more Kids Club in both second and third terms

The 3 week September Kids Club Program is currently available for registration through the North Van Rec Commission.

The barcode for Sept Primary Kids club is: 254791

The barcode for Sept Intermediate Kids Club is: 254792

Look for enrolment for the other sessions to begin during the Rec Centre's regular Fall registration process this August. Lisa Upton will leave you a message with the barcodes before August 18th.

If there is sufficient enrolment, you can expect Kids Club afterschool programs for both second and third terms as well!

Thanks!
