### ABOUT OUR PROGRAMS:

North Vancouver School District's Artists for Kids Program offers After School Art classes for students each Fall, Winter and Spring term. Our classes run in various schools across the North Shore.

All of our After School Art courses are taught by art specialist teachers and assisted by a secondary art student. All art supplies and materials are included in the course fee. A student exhibition is held in the Artists for Kids Gallery at the end of each term.

Each July we offer 5 day residential art camps in Paradise Valley. The AfK Summer School of Visual Art invites some of Canada's finest artists as guests to mentor our students.

All of the AfK programs provide students with opportunities to further their artistic ability and to foster positive attitudes towards the visual arts.

Programs are generously supported by private donations, The Smith Foundation, Investors Group, Kinder Morgan Foundation and the City and District of North Vancouver through the Arts Office.
