

*Ridgeway Annex Closing Ceremonies
May 26, 2011*

Welcome to the Closing Ceremonies for Ridgeway Annex!

After 58 years we have many memories to share and a large community family to help celebrate!

Please wander through the halls to see photos of our students throughout the years and artwork that has been made by our current students.

Go back in time by entering the four classrooms representing the decades that our school has been open... hear the music, see the memorabilia, see your former teachers in their classrooms!

A formalized celebration will take place in our gymnasium, so feel free to participate in the activities listed below.

Ridgeway Rocks

By John Palmer

Refrain:

Ridgeway Rocks, everybody rocks at Ridgeway
Ridgeway Rocks, tout le monde rock à Ridgeway

Respect is to be to somebody
The way that you want' em with you
Responsibility looks like you know what to do
And you follow through

Cooperate and share and we all get somewhere
You take turns to make it all sweet.
You make a situation better with kindness
And for safety mind your fingers and your feet

Refrain 2x

Respect on the playground
Out in the halls
Here in the gym
Or the washroom stalls

Ownership when you make mistakes
Always ask:
How can I make the situation better?

Refrain 2x
