

Seycove News

April 2011

*Welcome to our April 2011 electronic bulletin. Please note only brief information is listed here.
For more detailed news, please go to our website: www.seycove.ca.*

Final Exams

It's time to start thinking about Final Exams. The School and Provincial Exam schedule is posted on our website. Click [HERE](#) for Examination Rules.

Remember only **standard** calculators are allowed for math and science exams - iPhones and other devices are not permitted in final exams and will be confiscated. The school does not provide calculators.

Vancouver Coastal Health

This is just a reminder to parents that head lice is a common issue especially among school-age children but one that can affect anyone. It occurs in people of all ages, classes and races. Weekly head checks are recommended for all family members including teens, especially those who have siblings in elementary school where head lice is a very common problem. Head lice do not cause illness or transmit disease and are not a health hazard.

Please review the following [Head Lice Fact Sheet and Treatment Options](#) or contact 8.1.1 or Public Health Nurse at 604-983-6700 if you require further information.

Distributed Learning

Many students have been choosing to take courses online at North Vancouver's Distributed Learning School.

Students who are intending to take a DL course beginning September 2011 may submit the new registration form to DL beginning on April 4th. DL has posted the forms electronically on the website:

<http://www.nvsd44.bc.ca/distributedlearning44.aspx>

Athletics

The spring athletic season has begun and we encourage community members to support our athletes. Please refer to our website and Facebook page for all our updates for game times and locations. The Facebook page has been a wonderful addition for athletics as it allows parents and coaches to post important information and pictures associated with their respective teams.

The athletic department will be hosting a spring sports camp for our elementary feeder schools in May. It is a fantastic opportunity to introduce our athletic program to students who will be entering our school over the next two years. If you are interested in assisting with this worthwhile endeavor please contact me at the school. We look forward to your contribution!

There will be a rugby tour meeting for our trip to Argentina in 2012 within the next two weeks. Please check our Facebook page and school website for a specific time and date of the next meeting.

The athletic department would once again like to thank all the coaches, sponsors and athletes for their commitment to Seycove. Our program would not be successful without your efforts.

If you have any questions about our athletic program at Seycove, please email or call me at school.

Sincerely,

Paul Shtenko

Athletic Director

Sr Girls Basketball

Congratulations to the Senior Girls Basketball team for finishing **6th** in the "AA" Provincial Championships. The girls finished with a 3-1 record and **Jenna Krug** was selected to the tournament all-star team. The team showed all kinds of heart, coming back from 18 points down in the second half on three separate occasions. It is the best finish for a Senior Girls basketball team in the history of Seycove!

Geoff Russell

Fruits & Veggie Program

April's Free Fruit & Vegetable delivery, sponsored by Act Now BC & the Seycove Home Ec Dept was [Grape tomatoes](#).
