Athletics

Seycove Secondary School wants to thank all the volunteers that helped in making our fall sports season a success. Our teams are very successful this season in no small part to our parent volunteers and the many staff members that gave up countless hours to make this a very enjoyable time for our athletes.

I encourage people to cheer on all our teams this season. It is fantastic to see the excitement and passion that has been displayed by all our teams so far this year. The play-offs for many sports will be starting very soon so please confirm times and locations for all games on our school website. Simply click on the athletics icon and it will give all pertinent information for all our supporters. I look forward to seeing you all at games throughout the district.

Furthermore, the Athletic Department has a newly created Facebook page that will be an excellent tool to raise the profile of athletics in the Seycove community. It is our hope that coaches, athletes and parents will utilize this site to post pictures and comments for our various sports teams.

In conclusion the Athletic Department wishes all our athletes the best of luck in the coming weeks. You have represented Seycove very well thus far, and I am confident you will be the best ambassadors possible.

Sincerely,

Paul Shtenko, Athletic Director

Parent-Teacher Interviews

This year, parent-teacher interviews are on November 4th and February 10th. Interviews are five minutes long and are scheduled by parent request.

On October 25th, all students will be asked to attend a homeroom. In that homeroom, a "Request for Interviews" form will be handed out. They are due back to the main office the following day. The master interview schedule is created from these requests on a first come first served basis. The following week, in another homeroom, individual interview schedules will be distributed.

The parent-teacher interviews are very well attended and space is limited.
