

Dear PAC Member

For many school districts, this is the first year with a 2 week spring break. If you are planning on staying in town and are looking for activities to do with your children, please consider the Spring Break Theatre Festival!

Taking place on Granville Island from March 22nd to 27th, the Spring Break Theatre Festival presents the best of performances for young audiences!

From Improv to Munsch to masks and stories about gargoyles, there is something for everyone and every age.

At the Waterfront Theatre, you can see Carousel Theatre's Muncha Mia, for ages 3 and up.

At the Improv Centre (also on Granville Island), Green Thumb Theatre, Axis Theatre and Vancouver TheatreSports League will all be presenting work for ages 5 and up.

All shows are during the day and tickets prices range from \$11- \$29.

Follow the link below for more information on the shows and to purchase tickets.

If you think any of your fellow PAC members or any other parents would be interested, please feel free to pass this along!

Thanks and have a great Spring Break!
