

RIDGEWAY AT CLOVERLEY – STUDENT DROP-OFF

The **drop-off zones** are located along the **sides** of the school on both Cloverley and Shavington Avenues, near the **stairs** that lead onto the school grounds. Children should use the stairs to access the school grounds and from there, enter the school building.

For safety reasons, please **do not** drop your children off at the school's front entrance on Hendry or at the corners of Hendry and the cross-streets.

Traffic flow around the school should move in a clock-wise rotation, i.e., east-bound on Cloverley from Hendry, west-bound on Shavington from Kennard.
