

# READY, SET, LEARN

## North Vancouver School District presents Events in Elementary Schools 2009-2010

Ready, Set, Learn  
is a free event for 3 year olds  
and their Parents and Guardians

Parents, Guardians, Childcare providers,  
and Early Childhood Educators:

If you and your 3-year olds would like to join an event at your local school, please phone the school and RSVP. Times and dates are listed in the chart below.

The Province's *Ready, Set, Learn* initiative recognizes that families need positive connections with both the school system and community agencies that provide relevant resources and information. The Ministry of Education is providing resources to support *Ready, Set, Learn* events in local schools. Families and their three-year-olds who attend will receive:

- An age-appropriate book for your child
- Any additional information the school district or school wants to include about their programs or community services
- Any additional items chosen by the school to influence school readiness

Come to the free event at your neighbourhood school. See grid for details.
